Installation Notes

Download PCSpectra and save the file 2015_03_17_18_58_Package_2_0_25.zip to a folder.

Right-Click on the 2015_03_17_18_58_Package_2_0_25.zip file and select Extract All... from the menu. Accept the default folder 2015_03_17_18_58_Package_2_0_25 and Click Extract.

Open the folder 2015_03_17_18_58_Package_2_0_25, Double-Click setup.exe and follow the instructions.

When installed the application can be run by selecting Start->All Programs->PCSpectra->PCSpectra
