Installation Notes

Download PCSpectralite and save the file 2016_03_09_10_18_Package_2_0_25_Lite.zip to a folder.

Right-Click on the 2016_03_09_10_18_Package_2_0_25_Lite.zip file and select Extract All... from the menu. Accept the default folder 2016_03_09_10_18_Package_2_0_25_Lite and Click Extract.

Open the folder 2016_03_09_10_18_Package_2_0_25_Lite, Double-Click setup.exe and follow the instructions.

When installed the application can be run by selecting Select Start->All Programs->PCSpectraLite->PCSpectraLite
